

REGISTRATION FOR NATIONAL SCIENCE CONCOURS SUMMER SCIENCE CAMP 2017-18

Parents of the participant must read the letter below to better understand the program. Please contact us for additional information or clarifications, if any. Your signature on every page of this form is needed as agreement and permission to complete the registration process.

Dear Parent,

Congratulations to you and your child for being a winner at NSC 2017-18. Thank you for choosing the NSC experience for your child. We are confident that it will be an engaging experience and a learning opportunity full of excitement and learning with fun.

The NSC summer program is built around the concept of 'Experiential Learning'; i.e Learning by doing. We want you to take a moment to understand the program content. We encourage you to contact us for additional information or clarification, if any.

Accommodation for the children are provided in the hostels. There is a separate hostel for boys and girls. Each hotel has a warden to take care of the children. NSC programs are run by experienced and trained staff providing adequate supervision.

Our highly trained and experienced team has maintained an impeccable safety record. Adult supervision includes a resident doctor on campus. First-aid and common medication is available on camp. Hospitals may be 30-45 minutes away depending on the campus location.

Please understand our communication and update effort.

For a holistic experience of a camp, we encourage the parents not to try and contact their ward during the camp. You may however contact our office for updates from the campuses. On a daily basis we will be updating the status of the activities and uploading photos on our Facebook page so parents can get a glimpse of how the children are doing ([facebook.com/nscindia](https://www.facebook.com/nscindia)). This effort on our part is to give you a glimpse of what is happening on the program and some reassurance on seeing engaged, happy faces.

We want you to have clear expectations and help your child prepare for the program to get more value out of the experience.

- This program is not a luxury holiday. It has a structure, schedule, rules, and decorum to be followed.
- There are shared facilities and resources, and we need to keep everyone's interests in mind.
- Campuses have Spartan yet comfortable accommodation. To enhance interaction, allocation of beds is usually through a draw of lots.
- The campuses have hygienic toilets with regular fittings and dedicated cleaning staff but do appreciate that they can never be the same as one expects at home.
- The campus kitchens serve wholesome food and variety, but not pizzas, burgers etc.

Please call us for clarifications.

Registration Form

Participant code of conduct

Parents must share this with the participant.

- I understand this is not a luxury camp and I commit to follow the safety and discipline norms of the camp.
- I will respect other participants and will not bully or misbehave with them. I will maintain decorum and be polite in my language and interaction with others.
- I will not carry a music player / gaming device.
- I know there are restricted spaces (rooms, toilets and others) for boys and girls and I will respect those boundaries.
- I will respect camp equipment and property.
- I will not carry or consume cigarettes, alcohol, or other illegal substances on the camp.

Parent Consent Form

Name of Participant: _____

Name of Parent: _____ Mother / Father

I have read all the details of the camp and understand the same. The details provided in the registration form and medical section are true and correct.

I understand the camp details AGREE []

My child is fit to participate in this camp AGREE []
